The Supreme Court has engineered a massive shift in the civil justice system that is having dire consequences for consumers and employees. By enabling large corporations to force customers and employees into arbitration to adjudicate practically all types of alleged violations, the Court now permits corporations to write the rules that will govern their relationships with their workers and ...

Introduction. Heart failure (HF) remains the leading discharge diagnosis among patients ≥65 years of age. The estimated cost for treatment of HF in Medicare recipients is \$31 billion and is expected to increase to \$53 billion by 2030. 1 Hospitalization for HF is the largest segment of those costs. It is likely that the prevention of drug-drug interactions and direct myocardial toxicity would ...

This is very personal post. It is my story of the retaliation I suffered immediately after my [economics is a disgrace](#) blog post went viral. The retaliation came from Heather Boushey,a recent Biden appointee to the Council of Economic Adviser and the President and CEO of Equitable Growth where I then worked. This is not the story I wanted to be telling (or living).
