[International Economics Theory And Policy](#)

International Trade: Theory and Policy is built on Steve Suranovic's belief that to understand the international economy, students need to learn how economic models are applied to real world problems. It is true what they say, that "economists do it with models." That's because economic models provide insights about the world that are simply not obtainable solely by discussion of the issues.

[Amazon.com: Theory of International Politics](#)

International relations theory is the study of international relations (IR) from a theoretical perspective. It attempts to provide a conceptual framework upon which international relations can be analyzed. Ole Holsti describes international relations theories as acting like pairs of coloured sunglasses that allow the wearer to see only salient events relevant to the theory; e.g. an adherent ...
